For purposes other than study, testing and research, and subject to the terms and conditions of this License, You commit to be prepared to negotiate a non-exclusive, non-transferable, non-assignable license of Essential Patents with each Contributor and/or the Licensors on Fair, Reasonable and Non-Discriminatory (“FRAND”) terms and conditions for the use of the Work or Contribution(s) incorporated within the Work.

4. Sublicensing

You may grant sublicenses under the licenses granted under sections 2 and 3.1 provided that the sublicense is subject to and inclusive of all the terms of and rights under this License to which the Work is or was distributed by the 5G Media Action Group (5G-MAG) Association.

2. You must cause any modified files by You to carry prominent notices stating that You changed the files; and
3. You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works; and
4. If the Work includes a “NOTICE” text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

6. Submission of Contributions

You are solely responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with your exercise of permissions under this License.

9. Limitation of Liability

In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in writing, shall Licensor, as such, be liable to You for damages, including any direct, indirect, special, incidental, or consequential damages of any character arising as a result of this License or out of Your use or inability to use the Work (including but not limited to damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses), even if You have been advised of the possibility of such damages.

10. Accepting Warranty or Additional Liability

While redistributing the Work or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this License. However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Contributor and/or the Licensor, and only if You agree to indemnify, defend, and hold each Contributor and/or the Licensor harmless for any liability incurred by, or claims asserted against, such Contributor and/or Licensor by reason of Your accepting any such warranty or additional liability.
